

Economy Tilt Height-Adjustable Steel Mobile TV Cart

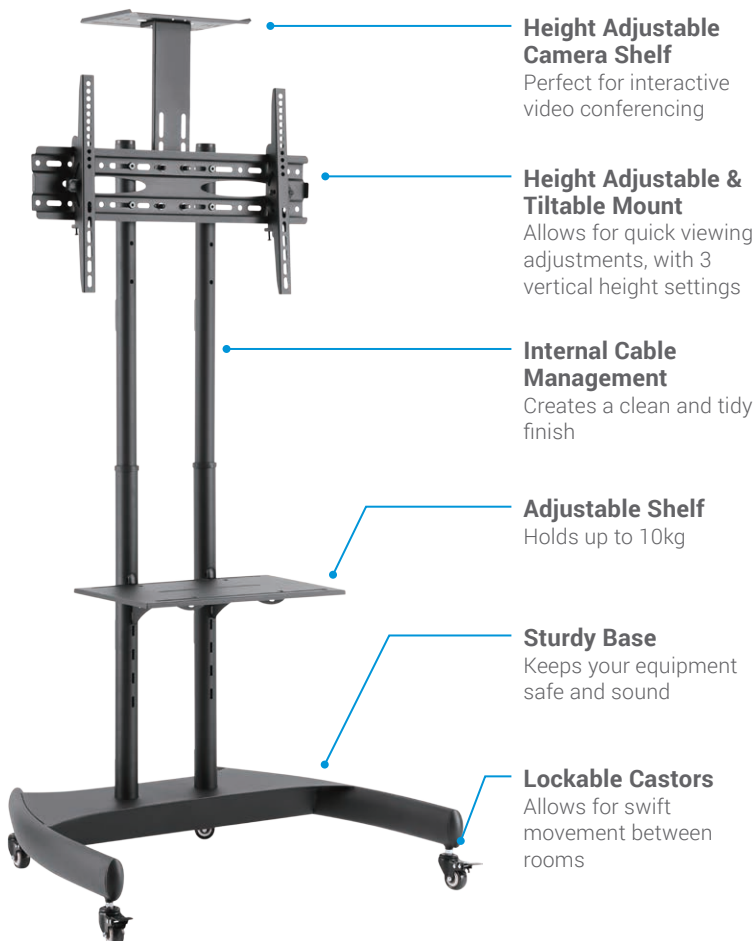

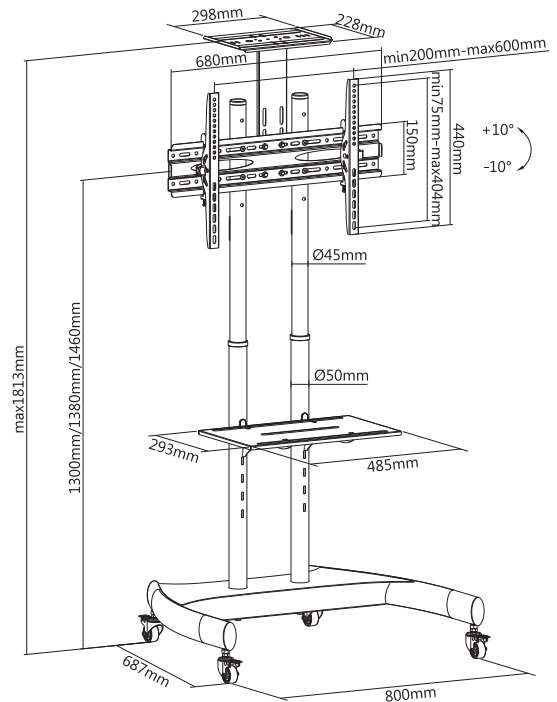

TVARM-TVST01B

Economy Tilt Height-Adjustable Steel Mobile AV Trolley

For most 37"-70" LED, LCD Flat Panel TVs

The **TVARM-TVST01B** Economy Tilt Height-Adjustable Steel TV Cart is ideal for teleconferencing. It's tiltable, the toolless tilting adjustment allows for quick viewing adjustment. It's height-adjustable, 3 vertical height settings ensure ideal viewing height. It's mobile, four lockable casters allow for swift maneuverability from room to room. What's more, the internal cable management creates a clean and neat look.
